Dear Educator/Evaluator,

This student is applying to Leading the Way, a leadership education program through a nonprofit organization called Global Explorers. This program involves a nine month commitment to: spend time outside of school studying about the culture he/she will be visiting; participate in a field workshop with an integrated team of students with and without disabilities; and independently implement a Service Leadership Project. This referral form helps us determine whether this applicant will be able to meet our criteria for having cooperative, trustworthy and committed students enrolled in this program. We greatly appreciate your honest feedback.
